Description:

Attention: This is an **INTERMEDIATE-ADVANCED BEADWEAVING WORKSHOP**

You will learn three stitches in this project.

- · Circular/Tubular Peyote – Pre-homework
- · Triangular Peyote
- · Spiral Fringe

This workshop requires “pre-homework” that must be completed **BEFORE** the class is held.

Basic understanding of color theory is needed in order for you to select your color palette.

Ultimately, you must make 6 sections of Tubular Peyote Stitch using 5 separate colors to complete this necklace. At least two of these segments should be completed before you attend the workshop on July 17, 2010.

Review the required homework before signing up for this session to insure you are adequately prepared (*.pdf available on 2010 Summer Workshop page).

A “homework” class is being coordinated for those of you who want to “get together” and bead your homework sections. Fellow BSNM members will be available to assist you.

* Payment must be postmarked by June 9th to guarantee your seat.
Seats will NOT BE HELD for any reason.
