

The Bead Society of NM 2010 Summer Workshops

One of the most popular benefits of BSNM membership is the opportunity to take classes twice a year at very low cost. Our Summer 2010 workshops will be taught by experienced instructors, and *your first class is subsidized by the Bead Society, so you only pay half!*

Important Details:

- Full-day classes are \$40 and half-day classes are \$20, plus materials. Your first class is half off during a special enrollment period.
- Supply lists for each class will be posted on the BSNM.org website.
- **No refunds** – The Bead Society is non-profit and entirely staffed by volunteers. We don't have enough volunteers to handle changes. Also, instructors will be paid, regardless of whether you show up. Be sure to enroll **ONLY** in the classes you want and write it in permanent ink on your calendar!
- If you are unable to attend a class for which you have already paid, it is your responsibility to find a substitute to take your place and reimburse you.
- This year, registration will be automated online.
