Linda Davis is sharing a beautiful, quick to work up spiral bracelet she learned at the 2005 Bead & Button Show in Milwaukee! She got permission to share this design from the designer, Carol Huber Cypher, and we're pleased to offer it to our BSNM members!

You must purchase the exact brand/size of beads stated in the “supply list” in order to achieve the results shown here (but choose whatever colors please you!) You need three colors, referred to as “A”, “B”, and “C” in the supply list. Please do NOT substitute the size or style of bead for this class.

Supply List That You'll Need to Bring

- Size 12 beading needle and Fireline 6# test
- Size 8/0 seed beads, Color “A”, 15 gr
- Size 8/0 seed beads, Color “B”, 15 gr
- Magatama drop beads, Color “C”, 30gr OR drop/fringe beads 15gr
- Loop & toggle clasp of your choice
- Small wire cutters
- Beading mat
- Task light (optional)

Kits will be available for \$15.00
